July Issue 2010

DCL RECRUITMENT • *Newsletter*

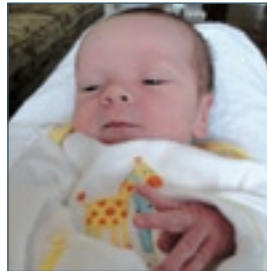

Welcome to Winter

Winter is upon us with the cold weather settling in. This week out came the boots, scarves & overcoats!

The good news is temp requests are continuing to rise as confidence in the economy continues, this is great as it means more work for you.

Update From the Temp Desk

If it wasn't confusing enough with the two 'H's' Helen & Hillary, there will now be two Helen's on Temp Desk. We would like to welcome Helen Asprey-Sharman, she has many years experience working for Canon in the UK. Helen looks forward to getting to know you all.

Exciting News - the stork has arrived with a baby boy!

Congratulations to Hillary and Bernie with the safe arrival of their first child a beautiful baby boy called Kody Callaghan, born 21st July a healthy 7lbs 12oz. We wish Hillary well as she embraces a new stage in her life 'motherhood'.

Poppy's a Winner!

In May at one of our local companies the HR department organised a pet competition with various categories. The staff & DCL temps were asked to send in photos of their pet & select the category most likely for them, cutest, naughtiest, most laid-back, most interesting etc. This was to help raise money for shelter boxes, lots of people entered & the competition was very tough.

One of our temps Belinda Hopsdal's cat "Poppy" won the cutest category. Taking home a lovely basket of cat treats & goodies. Well done Belinda & Poppy.

Our Goal at DCL Recruitment is to help you achieve your goal...

Temp Bio ~ Elizabeth MacGregor

Why temping?

Being a DCL temp helped me when I first moved to Sydney, it enabled me to get to know lots of different places. Also the flexibility of being a temp & choosing to either work full time or part time allows me to pursue my other goals & passions...to work on acting & performing – my creative side!

Best experience as a Temp?

So many, I really enjoyed an assignment I had last year with a company in Brookvale. I was initially hired to work on reception, however, they gave me the opportunity to organise a staff function for them. I had the satisfaction of seeing it all come together successfully & the feedback from the staff & management was so positive - they were really happy with the function.

Also, my current assignment is fantastic. I feel so comfortable working in this organisation, the team is so friendly. All my temping assignments have been great.

Interest & Hobbies

The performing arts, I am a flamenco dancer, singer & actor - I also enjoy other dances such as tap. This area of my life is more than a hobby, it's my ultimate career goal.

Favorite place on the Northern Beaches?

Manly, being from Adelaide, I consider myself a South Australian, however, since living in Manly I now feel I am ½ a NSW & ½ South Australian.

My mother grew up in Manly & I spent my early life hearing how lovely it was, my mother was very passionate about Manly. I love the lifestyle & atmosphere, the beach & natural

landscape & the sense of wellbeing that comes from being near the ocean.

All about Elizabeth - singing & acting

My ultimate goal is to move into this field. I come from a background of theatre & singing, & have performed principal roles in a number of musicals whilst living in Adelaide. Since moving to Sydney however, I've been moving more into screen & TV. Last week I made a short film & later this week I will be making another one. I love to sing, & I'm passionate about Shakespeare.

I miss having a garden as I don't have one where I am currently living, but when I do I am a keen gardener, & I also love cooking. Especially the 'fiddly' things - I particularly love making truffles & all the indulgent things involving chocolate.

Chocolate Self-saucing Pudding

Ingredients

- Melted dairy spread, to grease
- 150g (1 cup) self-raising flour
- 240g (1½ cups, lightly packed) brown sugar
- 50g (1/2 cup) cocoa powder
- 125ml (1/2 cup) skim milk
- 40g reduced-fat dairy spread, melted
- 500ml (2 cups) boiling water
- Add cream & raspberries to serve

Method

Preheat oven to 180°C. Brush a 1.5L (6-cup) capacity ovenproof dish with melted dairy spread to lightly grease.

Combine the flour, half the sugar & cocoa in a medium bowl. Add the milk & dairy spread & stir until well combined. Pour into the prepared dish.

Sift the remaining sugar & cocoa into a bowl. Sprinkle pudding with sugar mixture. Gently pour in boiling water.

Bake in oven for 35-40 minutes or until a cake-like top forms & a skewer inserted halfway into the centre comes out clean. Remove from oven & set aside for 5 minutes to cool slightly. Serve immediately with cream & raspberries.

Cooking time: 40 minutes
